

# NEXT LEVEL GOALIES

As the last line of defence, goalies require specialized training and support to excel on the ice. That's why Gold in the Net is proud to offer top-notch goalie programs designed to develop the skills and confidence of aspiring goaltenders.

Our dedicated instructors are committed to providing goalies of all ages and skill levels with the tools they need to succeed.

With a focus on technique, agility, mental preparation, and game awareness, our goalie programs aim to cultivate well-rounded athletes who can rise to the challenge on game day.

Partner with Gold in the Net and discover how we're shaping the future of goaltending, one save at a time.

## HERE'S HOW WE CAN ELEVATE YOUR GOALTENDING PROGRAM:

**Goalie Clinics:** Immerse your MHA players in focused training sessions with a maximum of 12 goalies and two GITN staff members on ice.

**Goalie Evaluations:** Receive comprehensive scores and unbiased feedback on your goalie's performance in GITN drills, ensuring fairness and accuracy.

**Team Practices:** Elevate your team practices by adding a GITN coach or provide private training sessions for individual goalies.

**Vaughn Gear Discounts:** Leverage our partnership with Vaughn to offer your MHA members exclusive discounts on premium equipment.

**Tailored MHA Services:** We can offer a variety of services to suit your needs.

**Next Level Goalies Start Here. Reach out to Gold in the Net today to discuss a customized plan for your MHA and learn more about our goalie development services!**
